Our approach to linking

How links are chosen for *The Pewterer*

You will find in this e-zine links to a number of websites. We select links that we believe are relevant to the subject of pewter or to the articles contained we are publishing, whether for further relevant, or practical, information or other key source material or for background information or otherwise.

We usually seek permission for each link. While links are selected and reviewed when the page is published, we are not responsible for the content of the websites, which may change and which are, in any event, beyond our control.

Some of our links may be to websites which also offer commercial services, such as online purchases. The inclusion of a link to a website should not be understood to be an endorsement of that website or the site's owners (or their products/services).
