Our approach to linking

How links are chosen for *The Pewterer*:

You will find in this e-zine links a number of websites. We select links where we believe that they will be relevant to the subject of pewter or to the articles that we are publishing, whether for further relevant, or practical, information or other key source material or for background information or otherwise.

We usually, where practical, seek permission for each link. While links are selected and reviewed when the pages are published, we are not responsible for the content of the websites, which may change and which are, in any event, beyond our control. Some of our links may be to websites which also offer commercial services, such as on-line purchases. The inclusion of a link to a website should not be understood to be an endorsement of that website or the site's owner(s) (or their products or services).

Opinions

Opinions expressed in this e-zine are those of the several authors and not necessarily those of the editor or publisher.
